Animal Care of Davis County | 1422 E 600 N, Fruit Heights, UT 84037 | 801-444-2200

### Ok Camp Counselors, are you ready to make an animal's summer dreams come true? Host a dog for Summer Camp in your own home!

Members of the public can now come to the shelter every Friday throughout the summer to sign up as a short-term foster for our medium- to large-sized dogs. Even if you haven't fostered with @acdcpets before, no worries! You'll receive all the information and resources needed, including a goodie bag of supplies so you can host the best Summer Camp ever!

We're asking our summer fosters to keep their canine campers for at least 2 weeks or until they find their forever homes, and during this time we'll be hosting group hikes, foster socials, and doggie tricks classes for all of our Summer Camp fosters and their dogs. Plus, we'll help you determine your camper's most important behavior characteristics in order to match them with an amazing adopter!

How can you jump into all the fun? For starters, grab your ID and come up to Animal Care of Davis County at 1422 E 600 N in Fruit Heights, where our staff will help match you with your perfect little happy camper!

Message the page @acdcpets on Facebook or email us at [foster@co.davis.ut.us](mailto:foster@co.davis.ut.us) with any questions!
