

NOTICE OF FUNDING OPPORTUNITY

All organizations wishing to submit grant applications for CDBG Hard Cost or Community & Support Services for FY22-23 **must** submit a letter of intent (LOI) by **October 10, 2022 at 5 pm** to the Davis County Community and Economic Department, Attn: Ryan Steinbeigle, Grant Administrator at rsteinbeigle@co.davis.ut.us. You may also call 801-451-3495 with any questions.

LOI Requirements: Please include a short narrative of the project, the project location, the anticipated total cost of the project and the portion that would be requested through this funding opportunity, and a description of how any past monitoring findings have been resolved if the county has had any such findings.

Eligibility: Non-profit Agencies, Davis County Non-entitlement Cities, Quasi-Government Agencies, and Davis County Departments.

Opportunity: Two funding opportunities for period January 1, 2023 to December 30, 2023.

Community Development Block Grant (CDBG) “Hard Cost Projects”

(Housing, Public Facility, Improvements, Infrastructure Improvements)

Funds will be used to support housing choices through home improvement programs, homeownership, land acquisition for housing development; neighborhood revitalization and improvements to infrastructure and neighborhood facilities.

Community and Support Service Programs (CDBG Public Service and CDBG-CV)

Funds will be used to increase education, support case management, educational & training opportunities, and foster healthier families by addressing the identified basic needs as well as fundamental housing, food, health, and safety concerns. Public services created to respond and/or prevent the spread of COVID that are on-going or services that are continuing at an increased level as a result of COVID-19 are eligible for CDBG-CV funding.

Income Qualifications and Service Area

CDBG recipients must provide activities that serve clients at or below 80% AMI, who live in the “Urban County” area, (excluding Layton and Clearfield who receive their own CDBG allocation).

Minimum Funding Requests

Community Development Block Grant (CDBG) Hard Costs:	\$50,000
Community and Support Services (CDBG Public Services and CDBG-CV):	\$25,000

CDBG funding must comply with priorities of the Davis County Consolidated Plan 2021-2025

REQUIRED TRAINING AND APPLICATION PERIOD

Applications who express an interest to apply for CDBG funding will be required to attend a training in November prior to submitting an application. Information regarding the date, time, and location of the training will be provided to those applicants that provide a LOI. Additionally, the application period is expected to open shortly after the required training. More details will be provided to those that submit a LOI.

Grant Funds are administered and monitored through the County’s Community & Economic Development Department. All applications must comply with the HUD Community Development Block Grant Program Federal Regulations, see 24 CFR Part 570 for the CDBG Program; and all relevant federal, state, and local laws. These funds will be awarded to participating cities and nonprofit organizations which provide services to low-and moderate income (LMI) persons living in Davis County.
