BIOGRAPHY **DAVE SPENCE, MBA** *Deputy Director* *Health*

Dave Spence is the Deputy Director of Health for the Davis County Health Department. He oversees the Department's Divisions of Community Health Services, Environmental Health Services, and Family Health & Disease Control.

Previous to this position, he was the Department's Environmental Health Services Division Director. Spence has more than 21 years of experience working throughout the environmental health field. In that time, he has worked on developing innovative programs and new procedures. Spence continues to serve on several state-wide public health committees and teams.

Spence graduated with an undergraduate degree in environmental health science from Brigham Young University in 1994 and an MBA from Westminster College in 2004.
