BIOGRAPHY

IVY MELTON SALES, MBA, CHES, MEP

*Division Director
Community Health Services*

Ivy Melton Sales is the Director of the Community Health Services Division of the Davis County Health Department. She supervises and provides leadership for staff working in the following program areas: Public Health Emergency Preparedness, Diabetes Prevention Program, Physical Activity Promotion, Nutrition Education, Obesity Prevention, Suicide Prevention Education, Injury Prevention, Tobacco Prevention and Tobacco Cessation.

Prior to serving in this position she managed the department emergency preparedness program, established the county's Medical Reserve Corps, served as the department's Public Information Officer, and provided public education and policy support as a Community Health Educator. She is a current member of the Northern Utah Incident Support Team.

Melton Sales received a Bachelor of Science degree in community health from the University of Utah in 1996 and a Master's Degree in Business Administration from Weber State University in 2004. She became a Certified Health Education Specialist (CHES) in 1996 and received a Master Exercise Practitioner (MEP) designation from the Federal Emergency Management Agency in 2006.
