

Come See
GREAT SALT LAKE

How do you get there?

Take Interstate 15 to exit 335,
 then west 7-1/2 miles on Hwy. 108

**Is there life at
 Great Salt
 Lake?**

Hundreds of bird
 species inhabit the
 lake shores, the
 Antelope Island
 causeway and the
 Island itself. Fine shrimp by the trillions
 inhabit the water and Antelope Island is
 home to wild bison, deer, big horn sheep,
 coyotes and, of course, antelope.

Can you really float like a cork?

The high salt
 content of the
 water allows you
 to float like
 nowhere else in
 the world.
 Beaches at the
 Island are beautiful

convenient and provide showers for after
 your swim. Guaranteed enjoyable visit.

The **ONLY** place to experience the
 Great Salt Lake is Antelope Island
 State Park. (entrance fee charged)
