# INSTRUCTIONS:

1. Print out the template for the parrot
2. Color the parrot.
3. Cut along the Solid dark lines
4. Fold along the dotted line to make the wing
5. Write jokes from the list (or come up with your own) on separate strips of paper for tail feathers and glue them to the parrot
6. Share and laugh at the jokes!

What did the ocean say to the beach?

                Nothing. It just gave a little wave

What did Cinderella wear when she swam in the ocean?

                Glass flippers

Why did the lobster cross the road?

                To get to the other tide

What do sea monsters eat?

                Fish and ships

What kind of hair do oceans have?

                Wavy hair

What did the magician say to the fisherman?

                Pick a cod, any cod!

Why do whales swim in salt water?

                Because pepper water makes them sneeze

What are the strongest creatures in the ocean?

                Mussels

What kind of horse can swim underwater?

                A seahorse!

Where do fish sleep?

                On the seabed

Why don't fish play soccer?

                Because they're scared of nets

How do you cut the ocean in half?

                With a sea saw

What kind of fish goes well with peanut butter?

                Jellyfish

What is the best tool in the ocean?
                        Hammerhead sharks

Why does it take pirates so long to learn the alphabet?
                        Because they spend years at C

What is the difference between a piano and a fish?
                        You can tune a piano but you can't tuna fish!

Where do ghosts like to go swimming?
                        The Dead Sea

What do mussels do on their birthday?
                        They shell-ebrate!

Why did the crab never share?
                        Because he was shellfish

What fish costs the most?
                        A goldfish

What do you find in the middle of the ocean?
                        The letter E

How do you make an octopus laugh?
                        With ten-tickles!
