

Pet Food Assistance

Animal Care of Davis County cannot guarantee the quality of listed services, and the inclusion of any service, organization, or program in this listing is NOT an endorsement or recommendation. We strongly suggest that you evaluate the services offered for your specific needs before using any particular program.

Animal Care of Davis County is able to provide limited pet food and litter assistance on a case-by-case basis dependent on the amount of supplies on hand and the number of animals currently in our care. Please call 801-444-2200 to check availability.
