Subject: 2022 Personal Property Taxes

02/11/2022

PLEASE NOTIFY US IMMEDIATELY if your business did not materialize, you are no longer in business, you have moved out of Davis County or if any extenuating circumstances cause you to question whether you should file this form.

This is your 2022 Personal Property Signed Statement and Tax Notice. Personal Property business taxes are assessed and collected yearly by each County Assessor in Utah. Taxable Personal Property is defined as tangible property not included within the meaning of the terms "real estate" or "improvements".

The responsibility for business taxes is a personal obligation of the business owner. Utah Code 59-2-306 requires each business owner to file upon request a statement with the Assessor's Office, listing all taxable personal property owned, possessed or controlled as of January 1st of the current year. All businesses are subject to audit by the Utah State Tax Commission.

For this filing, Line 1 will not contain any information. Line 2 is used to list the supply amount. Supplies are consumable items not held for sale. See the definition of supplies contained in the instruction materials.

The Personal Property Signed Statement is designed to be self-assessing. List all taxable personal property on the Enclosed Schedule B by category, year of acquisition and cost. Please note that "cost" includes shipping, handling, sales tax and installation, if applicable. The taxable value for each asset is established by using the acquisition cost multiplied by the percent good factor from the Percent Good tables. The total taxable value is then multiplied by the applicable tax rate on line 6 of the front page. Additional copies of 2022 forms are located at: www.co.davis.ut.us/assessor/personal-property.

Before mailing your 2022 filing, be sure to sign and date the Personal Property Statement, complete the Schedule B and Leased Equipment section and return all forms. **Filings which list a zero on Line 1, or for the taxable value, are not acceptable. Before mailing, please make a copy of the filing statement for your records.**

Please note, if the total taxable value (amount on line 5) of your equipment is \$25,000 or less, you may choose to complete the Exemption Application Box at the bottom of the statement to claim an exemption from tax. **You may not exempt if you have not made a full disclosure of assets, or the taxable value of all accounts using the same EIN is over the exempt amount.** The exemption may **not** be applied for after May 16, 2022. If applying for the exemption you must sign in both boxes on the front page of the filing statement. **IF APPLYING FOR THE EXEMPTION, PLEASE DO NOT SEND PAYMENT.** Accounts with a taxable value over \$25,000, complete as directed and send with a check. **Accounts with tax due for 2022, and unpaid on May 16th will accrue interest at 7.00%.**

Taxpayers may request their business taxes be attached to real property owned in Davis County. All requests must be in writing, indicating the appropriate land serial number. Personal Property taxes are due in Davis County on May 16, 2022. **Interest will accrue at 7.00% for any tax due from May 16 to the date paid. Real property taxes are due in November.** The appeal deadline date is May 16, 2022.
