

VIRTUAL CLOTHING DRIVE

Because of the coronavirus pandemic we are postponing and/or canceling all of our events for the year. The Friends of the Davis County Justice Center is doing a virtual clothing drive instead. We are happy to come to your home (when the restrictions are lifted) and collect your donations. How easy is that?

We can accept shoes and anything made of cloth. Those items could include clothes, towels, small rugs, bed linens, blankets, comforters, curtains, pillows, stuffed animals, city materials (remnants or scraps).

If you have any question or to schedule a pick up time, text (preferred) or call Rusti Ferris @ (801) 712-0093

Thank you for your generous and continued support!
