

Smells So Good!

MATERIALS:

- Glue or double stick tape
- Powdered hot chocolate or powdered soup mix
- Crayons, optional
- Marshmallows or dry macaroni, optional

INSTRUCTIONS:

If you'd like, color the mug. Then "inside" the mug, put down a thin layer of glue. Then sprinkle your powder over the top and allow to dry. Once it's dry, if you'd like to make it more realistic, glue on some marshmallows or macaroni. Once it dries, enjoy the good smell!
