Site Admin Ticketing Widget

We've launched a dedicated, self-service ticketing feature for **Site Admins**, providing a streamlined way to submit and track requests for **configuration changes** and **support of any kind**.

The screenshot shows the Findhelp Admin Center interface. On the left is a sidebar with 'Sites' and 'Site Settings' sections. The main area features a teal header with the text 'Admin Center' and an illustration of a person working on a computer. Below the header are three cards: 'Customize My Site' (with a monitor icon), 'Site Settings' (with a gear icon), and 'Submit a Support Request' (with a question mark icon). A red arrow points to the 'Submit a Support Request' card.
