

EVENTS & CULTURAL ARTS & ENTERTAINMENT GUIDANCE

(Including aquariums, aviaries, botanical gardens, concerts, convention centers, indoor arenas, libraries, museums, parades, rodeos, sporting events, theatres, zoos)

Utah Leads Together 2.0: Moderate Risk

For more information, visit: coronavirus.utah.gov/utah-leads-together/

As the community begins the next phase of sustainable social distancing, and event and entertainment venues begin to re-open doors to patrons, we encourage you to continue to implement protective measures to slow the spread of COVID-19 in our community. We understand that each facility is unique and operates under different circumstances. The guidance does not address every situation. Adaptation may be needed for your setting. Please work with your employees and patrons to implement the following:

SOCIAL DISTANCING

- A 6-foot distance must be maintained between individual household groups at all times while seated
- For reserved-seating facilities, facility capacity is dependent on ability to block reserved seats (demonstrated on digital seat map) to ensure safe radius
- Limit the number of people in a confined area to enable adequate distancing at all times
- Maintain signage to remind and help individuals stand at least 6 feet apart when in common areas or while visiting exhibits
- Congregating at any point is not allowed
- Concessions should follow serving and seating protocols consistent with the Food Service Guidance

CLEANING & HYGIENE

- Employees and patrons should engage in regular and frequent hand washing
- Make hand sanitizer, soap and water, or effective disinfectant readily available at or near the entrance, at checkout counters, or anywhere else where people have direct interactions
- Regularly clean and sanitize facilities, with special attention to high-touch surfaces; keep a logbook of cleaning regimen
- Discourage shared use of office supplies and other common tools

STAFF & PATRON PROTECTION

- Face coverings should be worn by employees, ensure that face coverings are available
- Face coverings are strongly recommended for patrons
- Encourage contactless payment; disinfect between transactions at facility stores/gift shops and comply with other retail recommendations
- Participants (e.g., players, performers, actors) in events should have their symptoms checked
- Electronic tickets and playbills encouraged in place of paper
- Set an established window time for high-risk groups to attend without pressure from crowds and/or use separate entrances and queues

Thank you for your patience and cooperation during this COVID-19 pandemic.
Feel free to contact the Davis County Health Department with any questions at 801-525-5128.
