

Learn to prepare taxes and make a difference in your community at the same time. Volunteer to help your community by preparing taxes free of charge with the Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) Programs.

You will receive training to provide free tax help for low-to-moderate income families who need assistance preparing their tax returns. As a volunteer, you will join the thousands of others who each year prepare millions of tax returns at thousands of tax sites nationwide.

How does this program work? You will receive training and then to begin volunteering at a location in your community. Training is offered both online and, in the classroom, (if available) Tax sites are generally open days and nights, and the hours are flexible.
